Now there is not the slightest objection to it this provided into not intended and made to tell lies. The sim is to show which is the more popular, mm; and if McClellan can extrumber Grant, it will be used as so much political espital, in his behalf. The truth is, it debrations here to nothing, in his days entrumber (suns), it will be used as so may be place at the remain quirty at their womes and place (the remain place) is remainded by the place of the remain quirty at their womes and a place (the remain quirty) at their womes have the solution. In the way place (their all of the remains and the remai WAR ON THE WILD-LATS. That the People Whink

The press universally constant the recent present of our Board of Trade to hat out shippleasies as a circulating medium. We have falled to sea the first journal published in the Northwest which have expressed an opinion, that does not commend it. We make a few trivials:

[From the Alton Talgraph.]

We are rejucted as the action recently takes by the Chicago Beard of Trade in reterence to our entropy, as a meaning a day as two stageous are resolved after the explantion of thirty days not to reserved, as a meaning a day as two stageous are resolved after the explantion of thirty days not to reserve a per out any other kind of paper currency than grounded by the public increast and askey, and will save the collinary and it english to be, from a lines of millions of dollars when the will-cast give up the ghost, as they are some lot do account of their medium car furnished.

If this policy is rigidity adjusted to the whole furnishes will some apply a action, initions. Name the complete and the second of their insections of our complete without labsing the currency and overy deliar than describated in the name thing as a few loss to freed Same to help, thin per districts or core deliar than describated in the name thing as a few loss to freed Same to help, thin per districts. holes Darry, is erotte and take. consistent the second s A the close it was efficient to sell good business of laws of war were violated shall be accurately shall. Then fat the public laws thread the public laws that sort of beings three are with whom we are at war, whether they be men or a mirror outlawed, and liable to be dealt with accordingly wherever found. At all events is the have no covering up, nor delay in the make the trush discovers. He is now under the trush of the public laws and disable to be dealt with accordingly wherever found. At all events is the make the word of dishard them, we can of large project the black soldiers of dishard them. We can oblige protect then be received to go affect in black soldiers of dishard them. We can oblige protect then be received to go affect in black soldiers of dishard them. We can oblige protect then be received to go affect in black soldiers of the province of th to be conserved to the ASTOUNDING FRAUD in the South to its standard. Their resemble was table to be supported by the standard of the standard preventioning, speech making, or printing and have convenient division of the Union. But a American people raily to war, when one angurated, like the white of the wind.

Then the rebels wanted to fight. The dilugal of the Third Jedissal Circuit, on Tuesday, the 5th inst, to full the vascing and the property of the standard of FINANCIAL AND COMMERCIAL. The following letter from Gen. Dix to the THE MONEY MARKET. THE MONEY MARKET,
[SATURDAY PYRKEYS, April 16, 1801]
The demand for money is not new to beavy se if wa to do, and had become possessed with a weathern notion of their own valor and prevent. They had theorised the Tanton into a race of marconary anderling and cov-erds, and wanted not only to be a mation, of THE PARKET GAY WAS LIKELY WAS The state of the s shiped wis gounted.

J. L. SCHLIFFS, P. M.

Within the past formight many of our leading exchanges have come out in store of Congress taxing the Wile-Cat banks, and expelling their unconstitutional issues from circulation. The necessity for this course; i becoming too obvious to be blinked say longer. The Patteburg Gastie, the leading paper in Western Pennsylvania, advocate the suppressing of the Wild-Cat shinplisters by taxation. It says in reviewing the question; J. L. BERIPPS, P. M gravity bandon assembly bandon and the procession.

"We have affect too much paper the country, to justify the hope that a wis some condition of the moner market set for a very long period. Ruch of this of mongrean noise be retected either a pecie or legal tenders. And among it associations the lendency is more been longered to the procession of the pr notes. Then again, as another evil effect of the expansion of the issues of private banks—as an effect of see much paper money—we have the constantly increasing expansion in prices and an increase in the spoculating malues. Reduce the volume of currency four handred millions of dellars, and see how rapidly prices will tuntile; and see also how quickly the manis for with speculation will suffer a dewould be equivalent to a further loan to Government of the four immerse milli sections increasing the paper money of the com-one delicer. The difference would be that Government instead of private individual
